WALLPAPER MAGAZINE DESIGN AWARDS 2014 WINNER

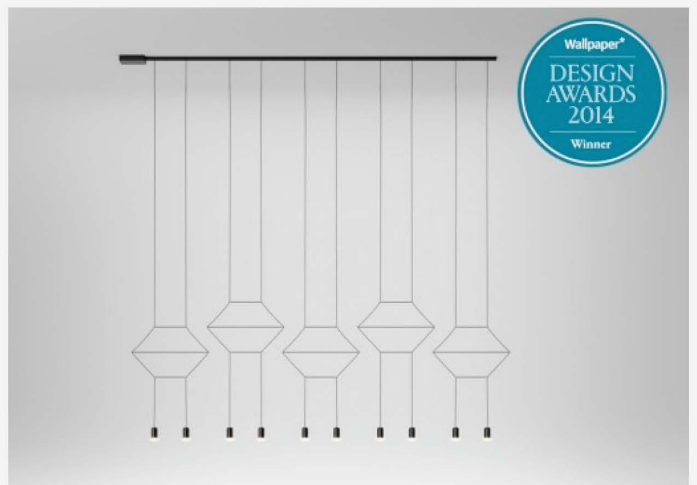

WIREFLOW DISTINGUISHED AT WALLPAPER DESIGN AWARDS 2014 FOR BEST LINE WORK.

The latest collection by Arik Levy is recognized as one of last year's highlights by the international design magazine.

For a decade the Wallpaper* Design Awards have celebrated annually the people, places, pieces and phenomena that have fascinated and resonated with their editorial staff over the past year.

In 2013 the WIREFLOW collection by Arik Levy played with viewer perspective, materializing as a two dimensional line drawing suspended in mid-air and giving life to a groundbreaking modern version of the pendant light.

In answer, Wallpaper* Design honored the concept with an award for BEST LINE WORK 2013.
