TIMELESS MASTERPIECES - LOUIS POULSEN

Poul Henningsen (1894-1967)
creator of the PH lamp for

Poul Henningsen (PH), the social critic, review author, debate enthusiast and – most memorably – light designer, would have turned 120 on 9 September last year.

As early as the end of the 1920s, PH had developed the formula for the distinctive lampshade profile that would become world-famous System PH, and to which he remained true for the rest of his life.

To mark this occasion, his long-term Partner LOUIS POULSEN is launching 2 limited editions of one of the first models in the famous PH System.

PH3,5-3 and PH3,5-2,5 Copper lamps; Available in a limited quantity. Contact us for more information.

ALBA WINNERS

LUMIERE GROUP and LUMIERE Studio are pleased to announce the winners of the ALBA Lighting Competition held in June.

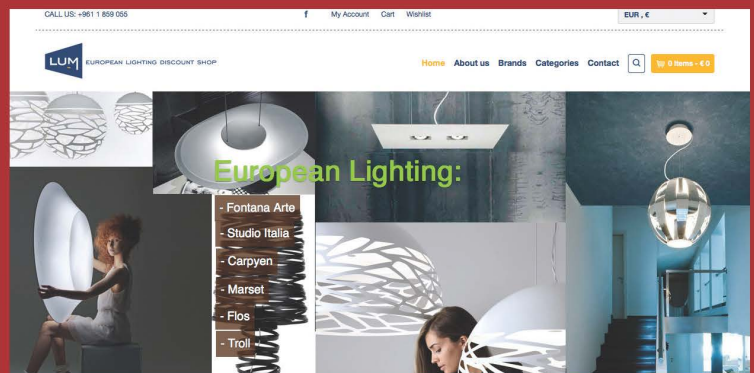

1st prize winners attributed to Bruna Dagher and Tara Sabri. They won a five days trip to Rome with accommodation.

2nd prize winners; Alissa El-Ali and Omar Khattar, they won two designer table lamps.

We would like to congratulate all the participants for their hard work and motivation, and wish them great success in their future career!
